- Due with application: \$250 – This includes a \$100 registration fee and a \$150 non-refundable security deposit** (this \$150 will be applied to the first month's tuition once the child starts). Payment may be made by check (made payable to Savoir Faire Language Institute) or by credit card (American Express, Visa, Master Card or Discover). **This will secure a child's placement on the waitlist.**
- Admission Agreement and Application

- Monthly installments are due on the 20th of month for the upcoming month and is considered overdue after the 1st of the month.
- As tuition fees are subject to change to reflect operating costs, a new tuition fee schedule is issued each year. A 30-day notice will be given prior to any fee changes. As each month has a different number of school days, the monthly tuition fee is based upon the total number of school days in the year divided into 12 equal payments.

4. **Waiting list**

- After visiting the school and/or becoming familiar with our program and philosophy, parents can place their child on our "waiting list" for future enrollment. There is a non-refundable \$150 fee for being placed on the waiting list (this \$150 will be applied to the first month's tuition once the child starts).
- Payment of this fee does not ensure placement in our school, but serves to keep your child's name on our list of prospective students.
- We maintain one waiting list for our centers. As the list is growing, it is important to apply as early as possible. As children continue to age while on the waiting list, they are automatically considered for any space that they qualify for by their birth date.
- We give priority to siblings of children who are currently enrolled in our center.
- Parents are notified via email when a space is available for their child. Parents are given 48 hours to notify us of their decision to either accept or decline the enrollment. If the space is declined, the child will be removed from the waiting list.
- If parents fail to contact us within the 48-hour period, the assumption is made that the family is no longer interested in our program, and the child will be removed from the waiting list.
